Hound/Hare Evening Rallye

Six cars braved the fact that this was the first Rallye attempted by the "Rallye Master"(and it was a solo effort). The weather cooperated and no rain was around. The Rallye started at Lakeside with a milage check around the edges of Fat City and wound its way through the Lakefront area heading Uptown and ending at Frankie & Johnnys on Tchopitoulas. Mike Delacerda and Bret Bollinger never made it out of Fat City, although I am assured they did have a scenic tour of the businesses.(They stopped for directions and to replace a pen that Mike tossed out of the car giving directions to Bret) The Rallye "Master" thought the course would only take an hour and a half or two, well almost three hours later Mike and Bret showend up at the end check point, followed by Mike and Karen Loden. Both had bailed out. Next came Rodger and Fran Talley, the only couple to finish the course(reassuring the Rallye "Master" that the rallye was completeable, Thanks Rodger and Fran). Snubbs and Peggy were the last to finish giving up only when they had clutch problems. I did say six entered, it seems the Rallye "Master" forgot to give the teams of Jimmy Bruno & Michael Cenac and Kathie & John Winter Failsafe instructions. When I got home I did get a message from the baby-sitter that someone had called from Slidell and was lost. I still haven't found out if it was the truth or not. Well this was a warm-up, just wait for the E.E. Reynolds Memorial Rallye!

1st Place -	Rodger & Fran Talley	30 pts.
2nd Place -	Snubbs & Peggy Bienvenu	24 pts.
3rd Place -	Mike & Karen Loden	17 pts.
