TOUR TO BUSH, LA

There were six cars from the MG Club and the A.H. Club that toured to Bush.

Cliff came in his MGA. The car came out great. Once Cliff figures out Lucas Electric in may start when he wants it to.

We arrived at Bill and Joyce Netherland's home about 12:00 noon. They have a lovely octagon-shaped house on eight acres of well kept land. They have a large steel garage, a barn and a shed that houses fifteen automobiles of vintage class. Also housed were a new motor home, a Japanese every-day-use car and a variety of lawnmowers ans auto spare parts.

The cars of British decent were:

1952 MGTD, 1957 MGA, 1960 MGA Coupe, 1958 TR3, 1963 Sprite, and a 1962 MGA parts car.

The cars of American decent were:

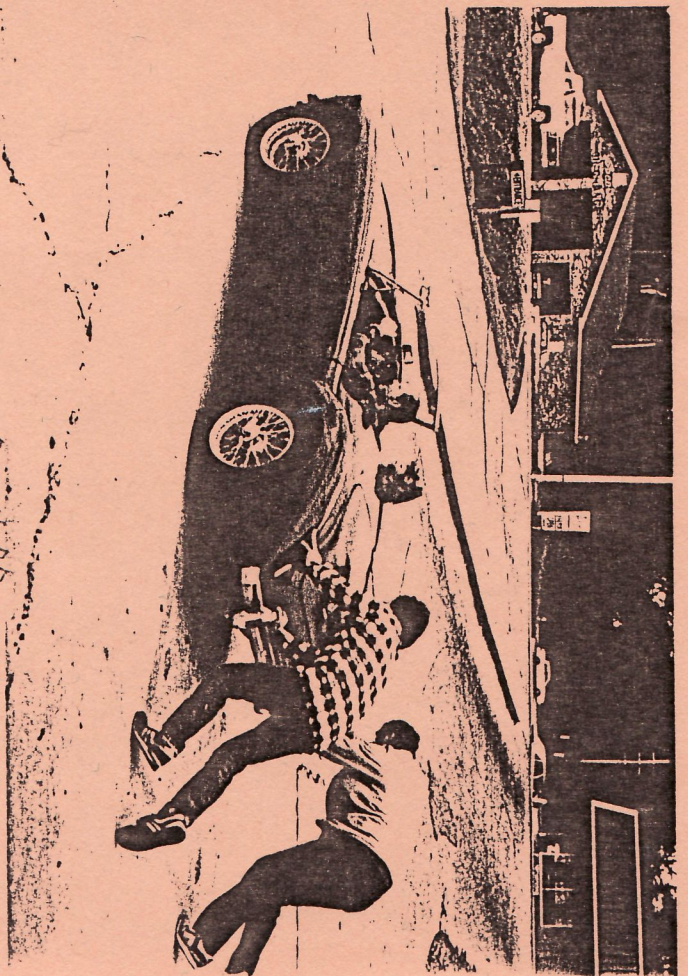

Three of a Model T, Model A, 1928 Chevy, 1955 Chevy, 1965 Mustang, 1952 Chevy and a 1944 Jeep.

All were in beautiful condition. After the "car show" everyone went to a restaurant in Covington for a catfish lunch.

We sure do thank Bill and Joyce for a wonderful day!

LETTER FROM THE PRESIDENT:

The year 1987 is almost over. I must say that I have had a great time this year. I have seen everyone work together to organize many fun events. Some of which were a picnic, camping trip, tours, rallies, and many excellent meetings.

I want to thank everyone for attending the meetings. There was a good solid turn-out all year. This is the most important function of the club.

The club has grown (doubled!) in size. For 1988 I hope to see a variety of activities that will interest everyone. If everyone would talk to others with MG's about the club we could see the membership double again.

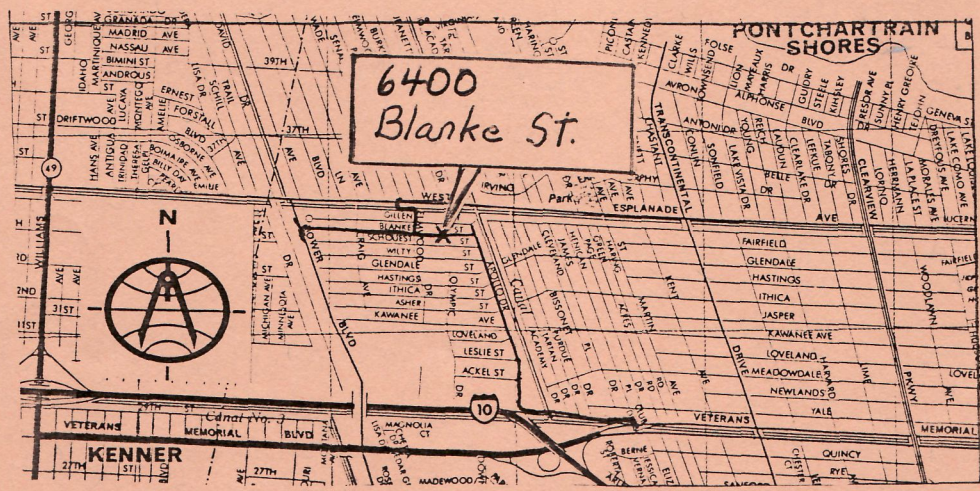

The officers have done an excellent job and deserve credit for their performance.

The December 1, 1987 meeting will be the last for the year. Bring those MG's out!
