LETTER FROM THE PRESIDENT,

February hasn't been a good month for driving MG's, but there's still hope for the rest of the year. Check out our calender of events. We have a full schedule through June. I'll print more as the summer approaches. There are no events scheduled for February because of Mardi Gras.

I've had a few people ask me about autocross. The most racing I do is in and out of Schwegmann's parking lot. If anyone has any questions or needs registration forms or the like, contact John Winter at 738-5169. He and Snubbs have been racing for years.

Here's some news from our members. Mike Delacerda got his MGB-GT patched up and back on the road. It still needs a front left wing(fender). HELP! John and Snubbs are getting the Spitfire ready for the competition this year. David Dehoog's MGB dropped a dirve shaft. The rear u-joint bolts worked out, maybe lock-tite will help this time. RJ Imbragulio is having a missing and lack of power problem. He is all ears for any suggestions. Rodger Talley replaced his clutch plate and ended the slipping problem. Earnie Winslett has assembled a MGB-GT. It looks great and should be on the road by now. Cliff Hughes has had a great disappointment with his "new" 1500 engine - bad rings and pistons(it smoked like a forest fire). New ones are on the way. It should be rolling soon. I have plenty of MGB parts for sale.

See you at the meeting,

Jimmy

AT SHONEY'S , 3410 WILLIAMS BLVD, KENNER. Y'ALL COME!

MG MG

The calender is starting to take shape. The Austin Healy Club has a novice rallye set for March 12th, contact Mike Loden at 467-5490 for more info. This is a good chance for the MG Club to show its stuff. The camping trip is set for March 26/27 for Flint Creek. Those interested should sign up at the February General Meeting or call Roger Gibson at 887-2725 for reservations. The Second Annual All Cars Day is scheduled for April 10th. It will be held at City Park shelter #6, from 10am to 5pm. You should bring your own food, drinks, camera, pictures of your cars and any spare parts you want to unload. Watch the calender for coming attractions ...
