MGB Bodies To U.S.A.

British Motor Heritage reports that they are ready to begin shipping the remanufactured MGB bodysells to America. These will be going to such firms as Moss Motors and the MG Parts Centre. Both parts companies have been taking orders since the bodysell program was announced; no doubt there is a substantial waiting list.

- Guest speaker from Passport(he talked about Autocross)
- Meeting adjourned to the parking lot

C R A W F I S H ! C R A W F I S H ! C R A W F I S H !

The MG Car Club has scheduled its annual Crawfish Boil for Saturday, April 22nd. It will start at 11:00 am and last well into the afternoon(about 3:00 or so). There will be enough activities to interest everyone including hot boiled crayfish, frisbys, baseball, volleyball and swings for the kids. The location is the second shelter east of the Lighthouse(or Barts) on Lakeshore Drive(This is begining to sound like a Rallye). Since the shelter cannot be saved in advance, look for a sign indicating an alternative site at that shelter. The club will have beer, drinks, dessert and plenty of crawfish. The price will be \$3.00 for adults and \$1.00 for kids. We have about 40 or so signed up so it looks like a good turnout. This is a great way to relax with your fellow club members. One additional note, bring your own lawn chair as seating may be in short supply. Call Roger Gibson at 887-2725 if you need additional info.

TECHNICAL NOTE:

When using a 1975 or later rocker assembly on an earlier head (or vice-versa) the end shaft support for the proper year car must be used. The drilling for the oil passage is in a different location. Be careful,

Jimmy

EMPIRE TROPHY RALLYE

The English Motoring Club of Jackson Mississippi, is holding the Empire Trophy Rallye and has scheduled it for May 6th in Vicksburg. We are planning to caravan to Vicksburg that morning to participate in this event. We will meet at the Shoney's on Williams Blvd and leave at 7:00 sharp. We should arrive somewhere around noon with plenty of time for lunch before the rallye begins at 2:00pm. After the Rallye, there will be a party with awards presentation and John Simmers' famous game of British Car Trivial Pursuit. If this is anything like his "Trivia Quiz" for British Car Day, it should be lots of fun! After the party, we will then say our goodbyes to our hosts the English Motoring Club and start our caravan back to New Orleans.

This is said to be a "Hound and Hare" type rallye so it is not necessary to have a working speedo/odometer. Pre-registration for this event is not essential, since late entries will be accepted up until the start of the rallye.

BRIDGE TO BRIDGE TOUR

Bill Gieseler's neighbors were either envious or very worried when 14 sports cars lined up in front of his house on that sunny morning of the Bridge to Bridge Tour. There were various Austin Healey's, MG's, Triumphs and even an Alpha Romero present for the lineup of the start of the tour to Donaldsonville. I have to admit that I was the one that was envious, since the top on my MGA coupe could not come down for me to fully enjoy the beautiful spring day that was ahead of us.

We all lined up and proceeded to the Westbank where we followed River Road all the way to the Sunshine Bridge in Donaldsonville. Once we were on River Road, our caravan only made two rest stops before we reached our final destination. One stop being at an old church and cemetery, where we just so happened to run into MG Club member Mike Brown cycling down River Road. Our next rest stop was in front of a plantation called "Oak Alley", where we all climbed the levee to admire our British beauties with the backdrop of this nice old plantation.

We finally pulled into Donaldsonville at around midday, just in time to enjoy lunch at Lafittes' Landing Restaurant. The food was terrific and the company was just as good, as we all discussed our most common interest. What else - British cars!

All good things come to an end, we all squeezed back into our cars for our journey home. It was an uneventful but enjoyable drive back, with a quick stop around LaPlace for us to look at a couple of neglected MG's and a TR3 with some other assorted oldies, owned by an acquaintance of Bill Gieseler's. We then proceeded back to Bill's house in Ormand where we disbanded and headed for home.

MG - TRIUMPH - AUSTIN HEALEY SWAP MEET

Bring your parts to sell/swap or come to buy that one part you have been looking for. There will be an advertisement in the Times/Picayune and other media. Last year we probably had at least a hundred customers drop by. A few became members and everyone had a ball (and some made money). There will be refreshments provided by the club. The place is: 404 North Meadow, Metairie from 12:00 - 3:00pm. Call Jimmy Bruno for additional details.
