Junk Yard Trip-

On July 14th the MG car club will be meeting for a junk yard trip. We will be leaving from Morning Call across from Lakeside Shopping Center at about 6:00am. So get there a little early if you would like some breakfast. We will be driving to the Mississippi Gulf Coast area where we have some leads on yards that have British cars.

Last year three of us went on a trip to a few of these yards and had a great time, not to mention coming home with some treasures.

If you plan on making this trip, be warned, this is for die hard MG addicts only. Be sure to bring some practical shoes, some wasp spray, and some tennis balls to keep the dogs busy.

See You There!

Elmwood Cruise Night - July 28th

Don't forget about the Elmwood Cruise Night! The MG car club will be making a special showing at this monthly event. This night is usually reserved for street rods, and other cars from the fifties.

This event is held the last Saturday of every month, and usually attracts many types of cars.

We will be meeting at the Whitney bank on Causeway, to caravan to Elmwood Shopping Center. We will be leaving the bank parking lot somewhere around 6:30pm.

Club Run By A Clique!

Any smoothly-functioning club gives new members the impression that the club is run by a 'clique'. The following piece, penned by an anonymous writer, presents the situation accurately:

Rumor has it that the club is run by a 'clique'. Careful investigation would show that this is true. Furthermore, you will find that the clique is composed of faithful members who are present at all meetings, who do all the work, who give willingly of their time, energies and efforts, and who sincerely believe that the more they put into the club, the more they will get out of it. There is no question that the enthusiasm, responsibility, and efforts of those members are of inestimable value to the club. And it is suggested, therefore, that you join this clique. It is not a difficult matter to do so - in fact, it is very easy.

Begin by attending your club regularly; take a lively interest in its activities; accept responsibilities in the work; never refuse a place of service. Show a continual interest in all affairs pertaining to your club. Before you realize it, you will become a member of the clique, and you will be surprised to know how anxious they are to have you. Don't criticize the clique. Join it!
