Nestled in the pine woods near Pontchatoula is a German Restaurant. 16 cars from the club met at 9:30am last Sunday for a breakfast meal that was very unusual, Belgian waffles, Bavarian sausages, coddled eggs, etc. Everyone had a good time and we all want a return trip in the fall.

English Motoring Club's
British Car Day 1990 --

This annual event sponsored by the English Motoring Club of Mississippi (affiliated with the vintage Triumph Register) is simply a chance for owners and admirers of British sports cars to spend a friendly day together.

The events are open to the public at no charge, although there is a \$15.00 fee to register your British Car and \$5.00 to register any other additional cars. Don't feel that your "tired iron" should be left out of judging - this a FUN EVENT not a Concourse Show!

Pre-registrations by September 17th will determine final judging classes. Please call or return the Registration for by that time (late registrations will be accepted). Trophies will be awarded to first, second and third places in Austin Healey, Jaguar, MG, Triumph, & Empire classes. Classes will be altered if Pre-registration indicates enough cars in a sub class group such MGA, MGB and so on.

This is a wonderful event that the LAMGCC attends as an annual event and this year will be no exception. There is lots to do there besides admire other British beauties. There is the Dizzy Dean Baseball Museum and the MS Agriculture and Forestry Museum nearby as well as having a Swap meet and Car Corral being sponsored by the "Antique Vehicle Club of Mississippi, on the same date.

For those of you who wish to attend, we will be meeting that morning in front of Shoney's at 6:30am to be leaving at 7:00am sharp. We will then caravan up highway 55 to Jackson, where we will join the ranks of many other British auto enthusiasts.

This event is lots of fun and you should make every attempt to attend since this event is only once a year. If you would like some more information on this you can contact Craig House at 601-469-3279, or Roger Gibson at 887-2725.

British Car Day 1991!

The LAMGCC will be presenting its 1st annual Spring British Car Day and British Pub Night on April 20th, 1991. So now is the time to start getting your car prepared for this showing. This show has been in the making for quite some time now and we are hoping it will be a huge success. We will be sending many invitations to the out of town clubs as well as to the local British clubs. This show will be run on the same day as the Daughters of The British Empire's "British Pub Night". This Pub Night will follow the show featuring that terrific British food and ale. The location has yet to be announced for the car show, but we will keep you posted.

We have supplied a pre-registration form here to get somewhat of an idea as to how the classes will fall. Be sure to pre-register early. Call Roger Gibson for more info. 887-2725
