UPCOMING EVENTS:

Breakfast Trip. This is the one everyone is talking about. Last year's turnout was incredible and so was the breakfast. We will caravan to A Taste Of Bavaria on Sunday, March the 24th. We will be leaving at 8 am from Shoney's on Williams. After breakfast there will be a ride to Zemurray Gardens for all of those who are interested. The Garden trip should be beautiful since it is in perfect timing for the blooming azaleas.

Super Sonic Drive. On April 6th we will be driving to the Sonic Drive in to have burgers 50's style. This is a pleasant night drive and it is in nearby Laplace. We will be leaving from Shoneys at 6 pm sharp. This is the right time of year to have some top down fun! Lets Go!

Rally Rally. On April 7th, the Greater New Orleans Corvette Club will be holding a Rally. It will start at 10 am and will be starting at the City Park shelter on Lagoon Drive behind Pop's Fountain in City Park. Fee is only \$6.00 per car. This should be lots of fun for all you rally nuts. Lets show the vette club our true colors. For more info contact Mike Poupart at 467-8910 or at 738-5659.

Plantation Tour. This is fashioned after the Austin Healey club's Bridge To Bridge Tour. We will be driving down River Road past all the beautiful plantations to enjoy a terrific lunch at Lafitte's Landing. We will be leaving Shoneys at 10:00 am to enjoy our trip down river road on April 27th. Bring a friend.

The 1991 Empire Trophy Vintage Rally Weekend in Vicksburg. The English Motoring Club of Jackson, MS. holds this rally as an annual event. This year it will be the weekend of May 4th. There will also be a "Hospitality" and registration on May 3rd. The rally actually starts on Saturday at 2:00 pm. If you are interested in making the trip contact Roger Gibson at 887-2725 or Jim Bruno at 885-6849.

British Motoring Club's British Car Show. This is the Big One! We will be having a hospitality suite at the Howard Johnson hotel on Veterans Blvd. the night before the show to welcome all of our out of town visitors. April 20th is the day of the show, and what a show indeed! Every type of British car will be on display at the show. We have many registrations from out of town and this should be a very nice show. After the show there will be an awards presentation and banquet as well as many other events the day of the show. Can't Wait!

**IMPORT PARTS CENTER
CHUCK SLACK**

Chuck Slack is the owner of the Import Parts Center. He got his start in the foreign parts business by taking on the job of restoring his 1959 Jaguar XK150 that had been wrecked. Once other Jaguar owners saw the finished product, they all wanted him to work on their cars. That's when in 1976 he started The Jaguar Shop. It was located on Delaware St. in Kenner. He then bought out Tri-State Foreign car parts in 1978. Then he moved his business to the corner of Veterans and Causeway, where Accent Annex is located. After two more moves he then bought out Passport auto parts in 1989, and has now been in his present location for the last five years.

He is now stocking many British car parts and what is not on hand can be ordered. His shop also deals directly with the supplier of Lucas as well as other manufacturers, so that prices can be reduced. Check with Import Parts before making that expensive mail order, with our club discount his prices can be very competitive. Mechanical parts such as starters and alternators and the like, if not in stock, can be obtained in just a few hours. With no UPS charge! Import parts also offers an extra 10% discount to club members on already reduced prices. Check it out.

Just An Observation

At our February meeting several guests were in attendance and as is our custom they were asked to stand and give their name and some information on their British car. Several members then proceeded to carry on their own conversations to the point where our guests could hardly be heard. This is not only impolite but it makes it darn near impossible to hear our guests. Let us all be more considerate of our guests and anyone that has the floor and is addressing our club. Thanks, Roger Gibson.
