President's Message

Dateline: March 19, 2005. New Orleans

The 15th Annual BMCNO British Car Day was held at Delgado Community College on a spectacular day where the weather cooperated to the fullest extent. On the field were 139 British cars from a total of 13 states. The longest distance driven was 1050 miles in a 1964 MGB, hailing from Maryland. By all accounts, this was the most successful show that we have ever held, not by numbers alone, but by quality of cars. We conversed with most of the British Car owners, and all thought that it was a great show.

Please revisit us next year for Car Day # 16, and bring more friends. A listing of BMCNO Car Day winners follows in this "**Special Car Show Edition**"...

I would like to thank the many volunteers that helped make this show a great success; without them it just couldn't happen. Special thanks to **Bill Breithoff** for assembling a team of professionals to insure another successful Car Day. Many visitors expressed thanks, for being genuinely welcomed, and the feeling that they were appreciated by BMCNO. They were greeted by our parking team, followed through with registration, the best goody bag around, car classification, voting and the banquet finale. Special thanks also to vendors who were invited, including CCC, Little British Car Co. , and the Daughters of the British Empire. Thanks also to Bill Harris who solicited sponsors and donations well in advance of the show. The donated items were given out throughout the day, and at the banquet Saturday night.

Volunteers and a "can-do" attitude make it happen.

Please help us next year when planning begins in September.

Fresh faces are needed and always welcome!!

Subject: Another Great Show*

Thanks for the usual well oiled/well organized show, it's always a pleasure to come and visit and picnic and see all the wonderful cars and the witness the pride and care that the participants take in the preparation of the vehicles. If it ain't broke, don't fix it! God willing, see you guys next year.

From Motor Sports Magazine

Travels with the EMC by Gene Johnston, Jackson, MS. "[Everyone] made it back home...from a great show held on the grounds of Delgado College March 18-19. The Friday night reception was great company and great food as always in N.O. Saturday was a dream come true weather-wise, and show quality-wise."

New Orleans British Car Day by Bill Moseley, SABCC. "The 2005 New Orleans British Car Day, on Saturday March 19th, was an enjoyable event in keeping with the British Motoring Club of New Orleans tradition of putting on a fine show. The location at the Delgado College campus featured a grassy site with plenty of shade trees. ... The awards dinner following the show provide both good food and good entertainment and they had some great door prizes."

New Orleans Show Shines by Jim Dougherty, Mardi Gras Ts "The show itself is held on the lawn in front of the Delgado College University Center. This venue is tree-lined and grassy, making for an attractive and really comfortable show location. ... Not long after parking your car in its designated class you're given the opportunity / responsibility of voting for the best entries. Voting can be diabolical. There were either many cars in a class or hardly any. The car gods frequently smile on the rare and unusual and this was no exception. ... That evening the awards banquet and raffle were held, wrapping up a picture-perfect event."
