The 19th Annual New Orleans British Car Day is almost here! Things are coming together for the show next month.

Wally Friloux has a number of vendors scheduled to come to the Show again this year. Jeff and Jan Zorn, owners of *The Little British Car Co.* will return with all of their British regalia; *The Transportation Revolution* from New Orleans will be displaying Triumph motorcycles and merchandise; *Paretti Imports* will be displaying a new Jaguar and Land Rover; and *The Daughters of the British Empire* will be selling pastries and other baked goods as part of their Charity Fund Raising event.

If you know of any other automotive or British oriented business that would like to set up a display, please have them contact Wally. There is no charge for displays but we can not provide anything but space and an audience; vendors will need to bring their own table, chairs, tent, etc. Also, there will be no electrical hook-ups.

Because of the economic downturn and all of the corporate belt tightening, we are really short on donations for goodie bag items and class sponsorships. I ask ALL members to contact their business associates and vendors. Please coordinate your solicitations with Wally Friloux. Remember, the more donations we receive, the more we can put towards Delgado scholarships.

There are still a few tasks where we need volunteer workers. Please take a look at the schedule and volunteer an hour or two of your time. You can find the latest version of the schedule at:

<http://www.bmcno.org/Show09/2009ShowVolunteers.pdf>

It's not too early to register for the Car Show!

Continued on page 7.

# Middendorf's Lunch Run

The Middendorf's cruise on Sunday January 25<sup>th</sup> included 47 participants; 6 cars from the South shore, 6 from the North shore, and 5 from the Baton Rouge area. Reservations were for only 25-30 people but they accommodated us very well and the seating made for some pleasant mingling. A TR6 from Mississippi arrived in some fairly chilly weather with the hood (top)

down. The bundled up driver had told his passenger that the hood (top) couldn't be put up on this year car! After talking to a few other members she realized she had been hoodwinked.

Hurricane Gustav had badly damaged the old building, but the new building was open, and the food was delicious. See more pictures on page 8.

just a couple of blocks away, will host a continental breakfast again this year before the show.

### 50/50

Harold won \$17.00, T-Shirt winners were Don Marpe, Mike Anderson, Pete Weber, and Roger Nagy

### **Projects:**

Floyd Friloux reports that the Jaguar club of New Orleans is starting back up, meeting is February 7<sup>th</sup>, members being added from Mississippi to North Louisiana.

Rick Huber's TR6 sold on Ebay to a buyer from Baton Rouge. Rick also has a buyer for the '65 MGB. The Healey project is coming along well, working on it a couple of days a month. '66 gray MGB is now running and driving, and was seen at Middendorf's.

Dave is looking for options to replace his TR4 generator with an alternator.

Pete is rebuilding his TR6 front and rear suspension.

Keith is painting the wheels on his MG.

There is a 1958 TR3A on the North Shore that needs restoration, price is open.

Harold's spitfire ran cool all the way to Manchac and back!

Cliff needed steel brake pipes, and went to AutoZone. They took him in back of the store where he figured out the code on the pipes, (B)ritish (P)ipe (E)nglish, followed by the length of the pipe. It only took Cliff a half hour to install the pipes, not counting all that time spent on the floor at AutoZone!

Guest: Gene Guillory, drives a '68 MG. He's looking for parts suppliers.

### **Proposal to amend by laws to lower the required quorum .**

We did not have a quorum so there was no vote, but the matter was discussed.

Sally passed out a paper suggesting that the by-laws remain unchanged, and that we find ways to increase attendance at meetings, and this was discussed.

The board is aware that review of the by-laws is needed, and it was suggested that a committee be appointed after the car show. Cliff mentioned that other clubs are facing the same attendance problems.

The meeting ended at 8:55

## Delgado Scholarship Presentation.

BMCNO awarded two more \$500.00 scholarships at the January general membership meeting.

The two recipients were Herbert Davis and Jonathan Butler. Joe Cruthirds, head of the Delgado Automotive Department was also in attendance.

Jonathan is studying collision repair, and recently painted Mark Gilbert's TR6, displayed in the World of Wheels show the weekend of January 24. Herbert is studying both Automotive Mechanics and auto body repair.

**Baton Rouge Area Gathering by Rick Huber**

Hi Everybody,

On Saturday February 7, we had a marvelous BMCNO trip to St. Francisville. The weather couldn't have been better. We enjoyed coffee and king cake at our house in the morning, then 8 cars full of people headed off to Ashley Plantation for a tour, and then to the Myrtles for lunch. We had to run home after that, but then the rest of the group went on to Rosedown Plantation and maybe a couple of

other spots before calling it a day. Did I say the weather was perfect ! The caravan with our little British cars was just great !

So, our next Baton Rouge get together is Tuesday night at Rick's Cafe Americain, 7521 Jefferson Highway. 6 pm if you want to eat, and 7 pm if you just want to meet. We'll be in the same room in the back, tell them that you're with the British Motoring Club when you get there.

The big topic for this get-together is where you have your little British car serviced in the Baton Rouge area. We'll also talk about past events, upcoming events, greet new attendees, and I'll bring membership renewal forms as well as Car Show registration forms.

Cheers,  
Rick

## 2009 British Heritage Award by Peter Brauen

The British Heritage award will be given to the most interesting overall display at the **British Motoring Club New Orleans's 19th Annual British Car Day**.

What does that mean?

Well, that is sort of up to the participant:

- While not mandatory, period dress would surely be appropriate. (Come on, we know you have a Kilt or a Morris dancer's outfit somewhere.)
- A full set of tools, brochures, posters, period accessories, fitted luggage, English maps, etc. would be a plus.
- How about an afternoon picnic? (The ladies of the DBE will even have authentic food to go with that.)
- An interesting display of the car's history, or historical significance could be a winner.
- Ever played 'dress-up' with the car itself? That could work too.
- A lot of attention can be garnered with a well placed stuffed animal, or better yet, ten.
- Do you have scale models of your car in more scales than anyone thought existed?

The possibilities are only limited by your imagination, and the criteria are not set.

The intention is to give this award to the display that makes one visitor turn to another and say, **"Did you see that car over there?"**

There has always been one; now we are giving it some recognition.
