On Friday, April 28, 2006, there was a large group of BMCNO club members gathered around a large, round, white vinyl table on the back patio of a hotel just a few yards from the white sands of Pensacola Beach. We just made a four-hour drive from Louisiana and could now relax with some adult beverages and idle chat.

As the evening wore on and the Amaretto continued to flow, the conversation turned to the ever-widening geographical area our club covers. We had members from Lake Charles, New Iberia, Baton Rouge and Mandeville sitting at that table; members that we only see once or twice a year.

It became clear that we are more than just British Motoring Club – “*New Orleans*” and that we need to be proactive in keeping our remote members more informed on the activities of the Club and make them feel more included.

That night gave birth to the idea of Club regions with regional coordinators and monthly gatherings. Now here we are three years later with Dave Hayden in Lafayette, Rick Huber in Baton Rouge and Cliff Hughes in Mandeville, all having monthly get-togethers that sometimes total as many as 40 members. That's more than a third of our membership! This experiment is a success because of these three guys!

To move this forward and to keep our outlying members interested in the Club, the Board of Directors recognized that we need to give them a voice in our elections and to make revisions to our club rules to accommodate their status. Several months ago, Harold O'Reilly volunteered to chair a committee to revamp our By-Laws. Karen Murray, Cathy Greensfelder and Cliff Hughes joined in and spent many evenings hammering out the new tome. The Board of Directors reviewed it at our last meeting and I must say that they did an excellent job.

The proposed new By-Laws are attached for your review. They will also be published in next month's newsletter and will be open for discussion at the May 26th and June 30th General Membership meetings in Harahan. We will also vote on ratifying the new By-Laws at the June 30th meeting, so please make every effort to attend.

Keith

April General Meeting Minutes

The General Membership Meeting began at 7:10 after dinner at the Italian Pie on Jefferson Hwy in Harahan. Keith Vezina chaired the meeting, with 30 members present.

Guests

Ernie Will and his daughter Robyn just acquired a 1979 MGB. Robyn's friend in Texas gave her the MG that needs "a little mechanical work".

Joel Ross and Hampton Barclay, transplants to New Orleans, went to the British Car Day on March 21 and fell in love with British cars. Two weeks later Hampton bought a '96 Jaguar XJS and Joel bought a '59 MGA.

Car Show

The club did very well this year, both in the number of cars to show up and financially. Cutting out the \$1200 T-shirt expense saved the club enough money that we will be able to grant 5 or 6 \$500 scholarships this year. This year we had 130 cars compared with 111 cars last year.

Past events

Next year the 20th annual British Car Day will be held on March 20, 2010.

The North Shore gathering was held on April 2, but with a small turnout. Cliff Hughes will begin chairing the gathering, since Partick Park has had to step back due to his workload.

The Honey Island shooting trip was cancelled due to flooding of the Pearl River. We'll look into scheduling something when it cools off in the fall.

The Baton Rouge gathering was held Tuesday, April 14th, with 20 people attending. Bill Avery is giving an ongoing 3 part course on tuning up British cars, which began in March.

The car show workers' appreciation party was held Sunday, April 26, and

the group ended up moving to City Diner after Tiffin Inn wasn't set up to seat the group. The food was good and about 18 members attended.

On April 17th several members convoyed to the Pensacola Car Show. They met at the Bay St Louis welcome station and everyone's car ran fine with no problems. The group stopped for lunch in Mobile at Wentzell's and had a great meal. The group drove on to Pensacola, where they attended a great car show with about 100 cars, mostly from Western Florida and Alabama. The group went to dinner at the Fish House on Saturday night and had another great meal on the bay. There were no problems with any of the cars on the way home.

The North Shore gathering will be held on Thursday, May 7 at the Abita Brew Pub and Cliff Hughes will be chairing the group.

On Saturday, May 9th, the Live Oak Concours d'elegance will be held in Baton Rouge. Entry fee is \$60 per car and \$40 to attend. This is a charity event for pancreatic cancer.

The next board meeting will be Tuesday May 12 at Pete Weber's home in LaPlace. A convoy will leave from the visitor's center in Kenner.

The Baton Rouge area gathering also Tuesday, May 12 at Cafe' Americain.

The Crawfish boil will be held on Sunday, May 17 at Bogue Falaya Park in Covington at Noon. Cutoff date to order your crawfish is Tuesday, May 12. \$10.00 for 5 lbs, including side items and soft drinks. The South Shore convoy will leave from the Causeway Police Parking lot at 11:00 AM.

The next general meeting is May 26.

The Columbia Street Block parties in

Covington have started. Next party is May 29. Live bands, hot dogs, popcorn, shopping. This runs through October.

A tech session is scheduled for Saturday, June 13. Topic to be announced, but one idea is to do front end alignments at Delgado. If that doesn't work out, we can do a tech session on Hickory doing a convertible top on Allen's car or do headlight adjustments in the shop on Hickory.

A Tech session is also scheduled for July, and whatever we don't do in June we'll pick up in July.

Projects etc

The Gumball 3000 rally is coming through New Orleans next week. This is a coast to coast rally and the cars will probably be in town on the night of the 6th.

Mike Anderson spotted a white Morgan on Edwards Ave next to the National Fruit Flavors building. Anyone interested?

A few magnetic dash plaques from last December's Christmas party are available; See Keith.

Karen is working on putting a preferred vendor list on the club web site. Please submit your preferred vendors to Karen! Rick did this in Baton Rouge and has a list of about 15 vendors for that area. The members recommended several good shops in the area.

After the car show appreciation Breakfast, Allen noticed a gas smell from his car. Looking under the hood he found a fuel leak from the front carb. It turned out that a piece of trash came through the fuel line and stuck in the needle valve. After some minor work, he and Sue drove home on just the rear carb. (continurd on page 5)

Minutes continued from page 4

Rick Huber needed to replace the rear shroud on his Healey and made a deal to buy one in early January. It hadn't been delivered after quite a few weeks so he decided to combine a trip to Nashville with a side trip to Cincinnati, where he picked up the shroud and carried it home on the roof rack of his Volvo.

Jim Jones has a Morris Minor pickup that is 60-70% restored but due to illness he can't finish the project. Lee and Charlotte De Ramus bought it and it's at the painter's now. Mechanicals are good and everything will be going to Peter Braun's for reassembly. We needed to replace a board member-at-large. Bill Weber was

nominated and approved by the members present.

50-50

John Leckert won \$27.00

Mike Anderson, Allen Bradley, and Roger Nagy won T-shirts.

The meeting was adjourned at 8:20.

Baton Rouge Gathering by Rick Huber

Hi Everybody,

We had another fun and successful BR gathering last night. There were fewer people this time, with 15 of us. We talked about past and future events and passed out a sign up sheet for the Crawfish Boil next Sunday, but no takers. It'll be a convoy of one with Mary Lynne and I heading over from BR.

A couple of events in the area coming up. Wayne Pangburn said there is a car show in New Roads this Saturday from 10-2. He'd like to not be the only British car there if anybody is interested. Another idea is that every third Saturday evening of the month there is a "Super Cruise" event at the Tanger Mall with lots of cars out and, occasionally, a few British cars. I went to that

many years ago when it was up here in Baton Rouge, but that's some thing we could add to our calendar too.

Bill Avery gave us Part III of his Tuning British cars series, this time the fuel system.

Bill said he was really impressed with our club, particularly with the diversity of events that we have - long distance shows, our own show, weekend events, tech sessions, rally's, get togethers for dinner, block parties, Final Fridays - he thinks the club does a great job doing lots of things that appeal to many members.

Cheers,

Rick
