Most jobs require only a hour or two of your time and it will make the show better and the job easier with more people helping. New BMCNO T-Shirts are now available. See page 7 for details.

Meeting Minutes 11/29/2010

The meeting was called to order at 7:04 pm by President Harold O'Reilly. Two visitors (potential new members) were introduced: O. J. Williams who was going to pick up his recently purchased cranberry 1974 TR6 and Richard Phillips, who owns a couple of Triumphs, a brown TR2 and TR3.

Old events were discussed; a Taste of Bavaria was attended by the North Shore, South Shore and Baton Rouge members of the club and was well received.

On the election of officers, new officers will be sworn in at the Christmas party. Karen Murray discussed the Christmas party. We were reminded that Coke and Sprite would be provided, but to bring your own adult beverages.

Our scholarship recipients will be present at the party to accept their scholarships. Information for a restoration class at Delgado will be presented at the party. Ten students are needed for the class to happen. Students over a particular age will have tuition waved for the class.

For the party, members were encouraged to bring non-perishable items for a donation to Second Harvest Food Bank. For each item donated, an entry for the various door prizes will be given. Door prizes include blankets, slate plaques, ornaments, and tapestry bags.

A Delgado Tech Session reminder was given for January 15th to cover car electrical systems, with a focus on British electrical systems.

Rick Huber discussed the Baton Rouge organ-

ized drive on January 29th to Jackson, a museum and winery.

The E. E. Renolds Rally was discussed, citing lack of participation and organization. The rally is traditionally held the first week of November and is a longstanding traditional club event. A discussion was had about revitalizing this event, potentially injecting organizational help.

The new board is working on producing a 2011 events calendar. E-mail notices will follow.

The treasurer's report was presented by Don Marpe.

The meeting was then opened to general discussions, prompting a vigorous discussion on the bleeding of breaks. A variety of ideas were introduced to cover a difficult bleeding exercise being experienced by a club member.

Rick Huber presented a presentation he had prepared for work a few years before (May 6th 2008): Baby Boomer Portfolio Diversification. An exercise in the presentation was to identify a set of collectible British cars, and then followed by a valuation exercise based on 2008 Top Condition Values. Though the values were contested by many, it was a very enjoyable exercise. Best Score was 19 by Keith Vezina, though Karen and many others had low scores.

The 50/50 drawing, which was won by Harold O'Reilly for \$20.

The meeting was officially closed at 8:05pm, and was immediately followed by a Haydels birthday cake celebrating Karen Murray's birthday on Wednesday.

President's Message

As we start the New Year I'm sure many of you will have made the normal resolutions, to eat less, lose weight and renew the annual membership at a local gymnasium. How about adding a couple to that list, make the BMCNO monthly club meeting a standing date on your calendar and have that little British classic up and running for our British Car Show in March.

At the start of my term of office I would like to take the opportunity to wish all members and friends a happy, healthy and hopefully peaceful New Year. I must also thank the outgoing president Harold O'Reilly for the efficient manner in which he steered the club to a very successful year. I have had the pleasure as 1st Vice President, of working with Keith Vezina and Harold I must say these two men are going to be a hard act to follow. I am also delighted to say that Harold is staying on as Member at Large and Keith is just an email or phone call away for advice.

To the 2011 Board of Directors I am very pleased to work with you and will rely on your expertise through out the year.

As a former American History teacher, I believe that each new President should have a plan of action or ideas to work on and hopefully accomplish during their term. Here are some of the ideas this board has started working on for the 2011 year:

1. Updating and adding new links to the BMCNO website
2. Updating members with a "101Website" session on how to use the website.
3. Have a speaker or presentation at every club meeting. (Consider presenting to club members about your experience with British Cars.) Sharing is also learning.
4. Have more sharing and discussion time at club meetings.
5. Add new member activities.
6. Include one club activity in conjunction with the Mississippi British Car Club. EMC
7. Increase more local community activities and exposure of BMCNO.
8. Work on more PR for the club.
9. Increase membership in the club.
10. Increase attendance at club meetings and functions.
11. Have a minimum of 4 Delgado Tech Session during the year.
12. Encourage individual member "Help Sessions" to work on cars.
13. Have all past newsletters on the website.
14. Establish community service projects sponsored by the club for non-profit organizations.
15. "Show & Tell" at all club meetings. Bring something unusual to test the knowledge of all present.

The Board of Directors hope to have a very busy and fun year. Soooooo please make plans to join us.

BMCNO Community Service projects.....

Delgado Community College Automotive Student Scholarships

Five years ago the Delgado Community College Automotive Student Scholarship Program was established. Proceeds from our Annual Car Show are made available to Delgado automotive students in increments of \$500.00 per student. Students are required to complete a scholarship application that is then reviewed and voted on by the current board. In 2010 nine applications were received with 4 students awarded scholarships. The students were: Tracy Nguyen, Gary Hoffman, Lehman Harrison, and Darius Gilbert. The scholarship recipients attended our Annual Christmas Party with their guests and Delgado instructors. We are very proud to offer scholarships to Delgado Community College Automotive Students.

Second Harvesters Food Bank

We always jokingly refer to our club not at British Motoring Club-New Orleans (BMCNO) but as Big Meal Club-New Orleans. The 2010 Board of Directors decided to help collect food items for the less fortunate this past Christmas. Members were asked to bring food items to the Christmas Party and they would receive a raffle ticket for every item received. During the night 20 raffle tickets were drawn for such items as throw blankets, New Orleans decorative wall slates, decorative canvas bags, and British Beefeater Christmas Ornaments. Some members won more than one door prize.

BMCNO delivered 124 pounds of food to the Second Harvester Food Bank the following week in time for the holidays. This was a win-win for everyone involved. BMCNO members left the party with great prizes and our community had resources to feed more people for the holidays.

Battered Women’s Shelter

It was decided by several of the BMCNO wives to adopt this non-profit organization and donate amenities received at hotels to the Battered Women’s Shelter. Women who seek shelter for themselves and their children often leave home with only the clothes on their backs. Little personal items are always greatly appreciated by these ladies. BMCNO members are always on the roads moving from one car show to another staying in hotels along the way. What happens to the small soaps, shampoo, conditioners, etc????????????? Generally they are left behind or not used.

BMCNO wives decided that this would be a good way to help by having a point person in each area collecting items for donation. The following ladies are collecting: Susan Bradely – Southshore, Mary Lynne Huber – Baton Rouge, Minda Hayden – Lafayette, and Linda Hughes – Northshore.

In the future please donate these items to the above ladies. The Battered Women’s Shelter will also accept old or new fingernail polish and make up.

BMNCO “Brag Page” 2010 Accomplishments

- The Morris Gazette is now in full color and only received **on line**. With this change there are no limits to the number of pages and articles in the newsletter.
- BMCNO Presented four (4) Delgado Community College Automotive Scholarships in the amount of \$500.00 each. Delgado Community College sponsored 2 Tech Sessions on automotive alignment and painting.
- Two new events included a History tour of Baton Rouge sponsored by the Baton Rouge group and a Euncie Trip organized by Keith Vezina.
- Games and prizes were awarded at every club meeting.
- Resource Library was established with Bob Post as the manager.
- A 124 pounds of food was delivered to the Second Food Harvester Food Band. This community service project was introduced at the Annual Christmas Party.
- The club picked up 24 new members with a total of 119 at the end of December.
- The majority of all meetings had a guest speaker on topics dealing with British cars.
- The Annual Car Show was a success with 130 cars registered.

Harold O'Reilly
2010 President

3XL \$25

Make checks payable to BMCNO

Updates on BMCNO Annual Car Show March 19, 2011

Donations are needed for the Friday and Saturday raffles. Anything will be greatly appreciated.

Complete and submit your applications ASAP. This helps the registration committee to start the process earlier.

Any questions or problems please call Rick or Karen

Baton Rouge Gathering by Rick Huber

Need 2011 Car Show Volunteers by Rick Huber

The car show is approaching, and we're looking forward to another great one. However, we need volunteers to do all the tasks necessary to make the show run

smoothly. We have chair-people for each of the activities already, but now we need to fill in the people who will help to make each activity happen. If you haven't volunteered before, you can find the volunteer list on the web site with the 2011 Show link, and then the Volunteer Schedule link to see all the things that need to be done. Once you've looked at the list, or if you already know what you'd like to do, email Rick Huber at mlandrick@gmail.com to let him know, and he'll update the list. Your chair-person will contact you at the appropriate time to organize your help for the show. We look forward to seeing you all in March!

Rick Huber's Project Update – Austin Healey 3000 by Rick Huber

In the last update in the November issue, Rick & Peter were frustrated by late delivery of the interior kit and the project was slowing down. They've come a long way since then, with Rick driving the car home on Friday, December 10. Along about mid-November, they focused attention on running and driving before Christmas, and sure enough, it happened. What an exciting and furious last week it was – making a list first

thing Dec 1 of what was needed to drive home, and getting them done. They charged all the major life sustaining fluids and fired her up for the first time late on the afternoon of Thursday, Dec 2. What a sweet sound that was! The next work day on Thursday, Dec 9 (you know that was a long week!), after some of Peter's magic adjusting and tuning, taking her out for a short, maiden voyage, check-out drive with Rick and Peter each driving about 3 miles. After that success, Rick decided to have Mary Lynne drop him off in Kiln on Friday morning with the intention of driving his Healey home. As a precaution, he called Cliff to check availability to help in case of a problem along the way. Cliff said no problem, he could even loan his truck and trailer if needed. Priceless!

On Friday morning, another check-out drive before lunch, everything was still working right with nothing leaking (well, you know British cars marking their spots – no serious leaks anyway). After a last few tweaks, Melissa took a few pictures, and Rick set off for Baton Rouge about 3:45. She ran smooth, quiet, and strong all the way home arriving just a few minutes after the agreed dark deadline. A dream come true! What a surreal experience for Rick to have the car he's wanted since high school at home in his garage. Still a few things left to do like putting on the convertible top, installing the grill, front bumper, the inside door handles and window winders, and finishing the air conditioning installation, but it's great to have her home for Christmas. What a great project this has been, working with Peter for every step along the way and transforming a disassembled bunch of parts into a beautiful, classic driving machine.

Feliciana Cruise, January 29th

BMCNO Feliciana Cruise, January 29th, 2011 by Rick Huber and Milton Franklin

Please join us for a winter cruise through the Felicianas, just north of Baton Rouge, at the end of January. It's the weekend between the conference championship games and the Super Bowl. No football to distract us from our objective of driving our cars and having fun together. Milton has put together a great combination of driving, sight-seeing, and eating on this one day outing. Take a look at the itinerary we've included for the drive and the stops. If the weather is bad, let's plan to go anyway, but maybe in warmer, drier vehicles. If you'd like to learn more about the museum, the winery, or the restaurant before the event, here are the web sites.

<http://www.jacksonlamuseum.com/>,

<http://www.felicianacellars.com/>, <http://www.facebook.com/pages/Magnolia-Cafe/13123959356>.

- South/North Shore members depart for Baton Rouge at 8:30 am
- South/North Shore, Baton Rouge members meet at Frost Top located at 402 Government St. at 9:45 AM
- Depart Frost Top at 10:00AM-10:15 AM
- Travel East on Government St approximately ½ mi to I-110 North. Travel to end of I-110 to Hwy 61 (approximately 15 minutes.)
- North on Hwy 61 to Hwy 964 (Old Scenic Hwy) thru outskirts of Zachary to Hwy 68(approximately 25 minutes.)
- Northeast on Hwy 68 to Hwy 10 (approximately 15-20 minutes)
- West on Hwy 10 to College St and 1 block to Republic of West Florida Museum at 3406 College St (approximately 10 minutes). Should arrive at museum at about 11:10-11:15AM.
- 30 minutes at Republic of West Florida Museum and 1 block to Feliciana Cellars Winery. Winery tour and wine tasting (approximately 30 minutes)
- Depart Winery (approximately 12:20-12:30 PM) and motor West on Hwy 10 to St. Francisville and Magnolia Café located 5687 Commerce St. (approximately 25-30 minutes).
- (10)Lunch at Magnolia Café and departing at approximately 1:45 PM.
- (11) After lunch, we'll take a short ride to Royal street for a walk through the shops and historic buildings in town, ending up at Mt Carmel Catholic Church with a beautiful view of the town before heading back down Highway 61 for Baton Rouge and points beyond.

BMCNO 2010 Christmas Party

Where would you find a reindeer, sugar plum fairies, mice, Santa, human stockings, and presents all together? Answer -----the BMCNO Annual Christmas Party. **WHERE ELSE!!!!!!!!!!!!!!!!!!!!!!** The Annual BMCNO Christmas Party was held Saturday, December 4th at the BOCHEE Club. Approximately 60 people attended including Delgado Scholarship recipients with their guest and instructors. Ronnie and his wife from Fast Plax, both stopped in for a few moments to share the holiday season.

Food overflowed along with friendly conversations and loads of fun. The newly formed BMCNO "Good Fellows Troupe" gave their maiden performance to "Tis the Night Before Christmas" completely dressed in elaborate costumes. After intensive long hours of rehearsals and costume fittings the show was ready to perform. Kieth Vezina was the narrator while actors performed their intricate acting skills. At the conclusion of the exhausting performance the troupe received a well deserved standing ovation.

Also at the Christmas party out going board members, Bill Weber, Charlie Ake, & Cathy Greensfelder, were recognized for their hard work and dedication to the club. Harold O'Reilly, out going President, was recognized with a plaque for his term as President.

Mr. Good Spanner Awards were presented to the following members: Baton Rouge – Danny Varando, North shore – Cliff Hughes, Lafayette – Dave Hayden, and Southshore – Allen Bradely. The awards were well deserved by these members.

Christmas ornaments with the BMCNO logo and date were presented to everyone. The logo and date were designed and produced by Chad Wicker.

Everyone had a great time!!!!!!!!!!!!!!

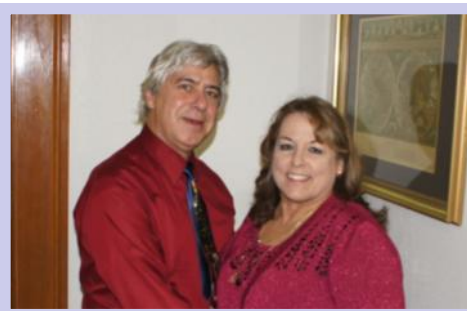

Floyd Friloux with his new Christmas ornaments.

Cliff Hughes, Dave Hayden, and Allen Bradley.

Delgado Electrical Tech Session “Lucas Style”

We were busy with our first Tech Session “Electrical 101 Lucas Style” at Delgado Community College on Saturday, January 15th.

Randy from the Delgado Automotive set up for 12 members but made accommodations for the 17 that arrived. Members came from the Northshore, Baton Rouge, and the Southshore to participate in this event. After the session began Mary Lynne Huber and I shopped in the French Quarter for a few hours. We met up with the men for lunch at New Orleans Food and Spirit in Bucktown. Randy has agreed and our members are looking forward to “Electrical 102” in a few months.

The Delgado Community College Restoration Class did start with 17 students that included 10 from BMCNO. The class was a bargain at \$25.00 for students over the age of 60. After the first

class this week an agenda has already been established on when they can bring their cars to work on. We should see several more restored British cars from this class.

Plans for the Feliciana Cruise have been confirmed for Saturday, January 29th. This cruise has been organized by the Baton Rouge group and should be a lot of fun. See the newsletter for more details.

And finally.....don't forget our first club meeting of the year on Tuesday, January 25th. Keith Vezina will be present “How to detail your car”. Also, please bring your application for the car show. Car show t-shirts will also be on sale. The shirts are really nice and I hope that everyone purchases one to wear. Extra golf shirts are available in limited quantities for anyone who missed that deadline.
