Tuesday, March 29- 7:00 p.m. GENERAL MEETING—Italian Pie Jefferson Highway

January 25, 2011 Meeting Minutes

The Members meeting was held on January 25th 2011 at 7:00 p.m. at the Italian Pie on Jefferson Highway. Twenty members were in attendance with 29 people at the meeting. The meeting was called to order at 7:02 p.m. by President Karen Murray. New Member O.J. Williams introduced his wife Dolly and discussed his recent purchase of a 1974 Purple/Maroon TR6, currently not running. Karen also introduced an observer from Seattle named David with a 1968 car. The Car Show Brochure was handed out to all in attendance.

Karen discussed the Christmas Party, where 125 pounds of food was collected to benefit the Second Harvester's Food Bank. 20 Raffle prizes were presented at that event to those that brought food donations. Allen Bradley discussed the Delgado electrical class, with 17 members attending. He was impressed with the presentation and with the hands on activities following. After the formal class, Randy had discussions with each person to help with specific car problems. These tech sessions are offered as appreciation for the scholarships presented to Delgado students. It was also mentioned that Louisiana Technical College on Airline is now part of the Delgado system. Rick Huber discussed the restoration class, also at Delgado. There are 10 BMCNO members in a class of 17 students.

Cliff Hughes reported on the North Shore meeting with 10 members in attendance. Progress is being made on Sponsorships and Giveaways for the Annual Car Show. Cliff also re-iterated that there are many significant auto dealer owners, both new and used represented in the club. When looking for a car, we should look them up.

Rick Huber reported on the Baton Rouge meeting with 13 members and 20 attendees. A national list of Gas Stations still selling gas without Ethanol was discussed. Rick also presented his Car Value presentation, resulting in a three way tie with 16 points.

Chad Wicker reported 118 (actual number still in transition) club members with 20 present at the south shore meeting.

Don Marpe presented the Treasurer's report and announced that Car Show T-Shirts are now on sale.

Wally discussed the Golden Oldies Motor Club's Car Show to be held in Hammond on March 12th and 13th. Details on this event will be available in the Club newsletter.

Karen presented the club past year successes and discussed the goals for this year.

Bob Post discussed the BMCNO Resource Library's holdings and stressed that this club benefit should be used. With the club showing a profit, we have the ability to acquire new material, all based on member recommendations, so if there is something you would like to see or would think someone else might like to see, please bring it to his attention.

Bob also discussed the Houmas House Plantation Tour. He is currently working on arrangements to visit the "Cars of Yesteryear" sometime in July. This news was very well received by the attendees.

Vice President Rick Huber discussed the following: Feliciana cruise, Middendorf's Restaurant, Car show still needs volunteers, and the Crawfish Boil on May 15th at Tickfaw State Park.

Keith Vezina discussed a request by the Krewe of Bird, an all woman marching club, for convertibles to use in a short parade. Keith, Allen, Ronnie, and Jack volunteered for the event. It will be held on Friday, February 18th at 7:00 p.m.

Keith also presented the remainder of the Car Detailing video. This Video and more are available for checkout from the Club Library.

Allen Bradley won the 50/50 raffle and won \$17.00. Two, 2011 day planners from BCP Engineering were won by Pete Weber and Cathy Greensfelder. T-Shirts were won by Floyd Friloux, Pete, Weber, Bob Post, and Wally Friloux.

The Member Meeting was adjourned at 8:50pm.

President's Message

The 21st British Motoring Club New Orleans Car Show, March 19, 2011, is fast approaching. If you haven't registered your car (s) please do so. We are hoping to have the Delgado

field filled with British cars. Also, donations for the goody bags, class sponsorships, and volunteers are still needed. Calls have been coming in from around the south regarding our show. Please check out the "Special Car Show Edition" that will be sent via email.

February was a very busy month for BMCNO. The Feliciana cruise organized by Milton Franklin and Rick Huber was a huge success with 33 participants and 17 cars. Midden-dorf's Sunday lunch was a delicious as ever. The board of directors surprised all of the ladies with long stemmed roses and Valentine cards. Rachel Wicker also provided candy roses as a special gift. The Delgado Restoration class is busy working on completing new British cars.

The board of directors approved a new club brochure. Letters including club brochures and applications were mailed to 65 past members. The letter also invited them to the upcoming car show. We do hope to see some of our former members enjoying the beautiful cars on March 19th.

The goody bag stuffing will be on March 12th. (See the calendar for info). The board has agreed to provide dinner and as a special treat. We will be showing "The Italian Job" for entertainment. So please mark your calendar to join us for "Stuffing, Dinner & a Movie".

On Friday, March 18th at 6:00 p.m. BMCNO will host the annual Welcome Reception at the Hampton Inn. Through the years the Welcome Reception has turned into a "Pot Luck" event for ALL club members. Please bring a covered dish and join in the 50-60 members for all of the fun on Friday. One gentlemen called from Brownsville, Texas to confirm his participation in the car show and the Friday night event. His friend attended last year and raved about the great food.

Look for a new Regalia table at the Car Show. Many new and exciting items will be displayed with the BMCNO club logo. Also displaying are our friends *The Little British Car Company*. This vendor is not only a BMCNO member but also sponsors a class, donates a door prize and drives all the way here to exhibit. Bring your charge cards, cash, or check books to take advantage of the wonderful British themed merchandise. Shopping at this booth is a must for any British car enthusiasts.

The Board of Directors has been working very hard on upcoming events. Look at the "Calendar at a Glance" page for upcoming dates in April including a Houmas Plantation lunch and tour and Delgado "Electrical 102" Tech Session on Saturday, April 30th. May will bring in the Crawfish Boil and a Tech Session with Floyd Friloux on analyzing your oil. The club ladies are also very busy collecting items for the Battered Women's Shelter.

This is a very busy year and a VERY hard working board. So.....mark you calendars and join in the fun!!!!

Hope to see everyone at the 21st Annual Car Show.

Middendorf's Run 2011

The BMCNO Annual Middendorf's cruise took place on Sunday February 13th. The Baton Rouge group drove back roads, South shore old Hammond Highway, and North shore was a hop, skip, and a jump away. The weather was great for early February so all cars had tops down to enjoy the breeze and sun. Middendorf's accommodated 46 members and guests for another delicious lunch. The BMCNO board of directors

surprised all of the ladies with long stemmed roses and Valentine's cards to honor Valentine's Day on Feb. 14th. Rachel Wicker was also nice enough to make candy roses for everyone.

Great food, beautiful cars, and fun friends – what more could a British car enthusiasts ask for?????????

Baton Rouge Gathering by Rick Huber

After a two month hiatus for Christmas, the Baton Rouge group started the year off strong with 17 people attending our get together on January 18. Mostly familiar faces, but Karen Murray and Ronnie Palmisano joined us and got to know more

of our local crowd. It was nice to get together again after the holidays and talk about what's been going on with our lives and with our cars. Bill Avery had purchased a TR7 and an MGB since the last meeting, and was looking to sell the MGB. Rick had brought his Austin Healey home from Peter's for the holidays and was still working on finishing it while visiting several club members

on nice weather days. Four of us were signed up for the Delgado auto restoration course and finalized our car pooling plans. We talked about the Christmas party, the Delgado electrical tech session, and the many upcoming events – particularly the Feliciana Cruise and Middendorf's run, and of course the show in March. Karen gave us an update on the ideas she and the Board have for the year, with more events, more tech sessions, and more community involvement and exposure. After all that, Rick repeated his LBC Investment presentation from the general membership meeting in November. Winners of the recognition and car value exercise were Milton Franklin, Bill Avery, and Randy Kassed with 16 correct answers. Rick said he would update LBC values in a future meeting, since the presentation showed figures from 2008. So, a fun meeting with lots of anticipation of a great year of British Motoring coming up in 2011.

Feliciana Cruise, by Rick Huber

Wow, did we have a fabulous outing in January! Thanks to Milton and Annette Franklin for planning and

leading the Feliciana Cruise on the 29th. Thanks to the good Lord for blessing us with a partly

cloudy, 67 degree day in January to enjoy open top motoring. Thanks to all of you who participated in what

turned out to be one of our larger club driving adventures, with 17 cars and 32 people participating, including

three future generation LBC owners. How nice for our regional club to get members from Eunice, Baton

Rouge, the North Shore, and the South Shore all together for an outing.

We got off to a bumpy start when I got impatient with the departure time, four cars got separated

from the rest of the group, and two others arrived after we left. Once we got together, there were 16 cars winding our way through the Louisiana countryside on a gorgeous January morning on our way to Jackson, LA. Thirty of us enjoyed the West Florida Republic Museum, the Model Trains, and the Feliciana Cellars Winery in Jackson before heading over to St. Francisville for lunch at the Magnolia Cafe.

The Republic of West Florida Museum is a jewel tucked away in a small, rural Louisiana town, showing the history of the area from before it was Louisiana, and even displayed some Model Ts and As and a few other vehicles for us car nuts. The Greater Baton Rouge Model Train Club looked like they enjoyed showing off their hobby to all of us in the adjacent model train display buildings. We enjoyed it too. You can get a good idea of what we saw with this great photo/video documentary of our day and our cars put together by Bridget Mayo and posted on Smilebox at this URL: <http://smilebox.com/playlistEmail/4d6a49314e54417a4d4446384e5449354f546b774f44633d0d0a&sb=1>

The Feliciana Cellars winery didn't look like it was staffed for 30 of us, but the one lady took it in stride and set up more wine tasting stations. We received a quick tour of the wine making shop and then enjoyed several of the Muscatine wines produced from Louisiana's "Napa Valley". After plenty of tasting, there was plenty of buying, a good sign the wine was enjoyed. Rick couldn't resist taking a picture of the three big Healey's on the cruise in front of Jackson's "Parthenon", with his long awaited Healey joining a club outing for the first time.

Then it was off to the Magnolia Cafe in St. Francisville on scenic and winding Highway 10

Continued on page 11

through the Feliciana countryside. On the way, we lost one car and gained another, as Dave Worrell and his son in their 1979 Aston Martin Vantage headed home, and Tom and Chris Miller, who had just gotten home from Tuscaloosa at 11:15 the night before, joined us for lunch in their

“new” 1972 M G B GT. Lunch was great as usual at “The Mag”, as the wait staff T-shirts did a remark-

able job of serving us all. We were all together in one wing of the restaurant so we could all yak and yak before the food arrived.

From there we took a short drive through Royal Street with all of its old shops and churches and

up “Catholic” hill to Mt. Carmel Church. The lovely, little church started in 1871 is on a bluff with a distant view to the west toward the Mississippi River. By then we were fewer in number, but we got a picture of the 10 remaining cars and occupants in front of the church before splitting up and heading back into town to shop, or back to Baton Rouge, Eunice, the North Shore, and the South Shore.

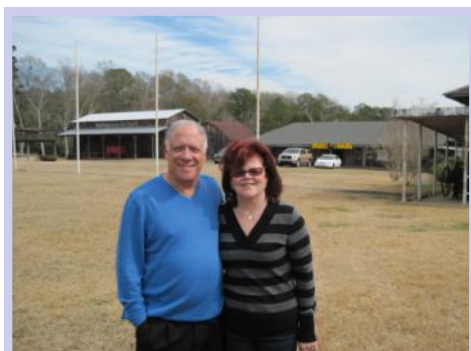

Ronnie has included several of the pictures from the outing in this newsletter, but if you’d like to see all the ones Rick took, you’ll find them at this URL: <http://picasaweb.google.com/mlandrick/FelicianaCruise12911#>

Continued on page 12

Feliciana Cruise continued..
